

Never Alone Again

"I WILL NOT LEAVE YOU COMFORTLESS: I WILL COME TO YOU"
John14:15-26

My brothers and sisters have you ever noticed how the expression, "always there for me or always there for you" has made its way into our culture conversation? People express gratitude for a friend, a loved one, a mentor, a teacher, or other important person in their lives who covers for them or as it were always there for them.

My brothers and sisters "always" is a relative term, because no human can ever measure up to such a statement, because One day they will not be there for you or anyone else.

But we know that there is someone who is definitely always there and we know Him as the Holy Spirit, who is the one who always dwells within us. Yes the Holy Spirit is sent by God to dwell in all of us who have a relationship with him through faith in Jesus Christ the Son and Savior.

It is the Spirit who makes real the life of Christ in us. (Gal.2:20) And it is the Spirit who gives us love, peace, joy, long-suffering, kindness, goodness, faithfulness, gentleness, and self-control. (Gal.5:22-23) These are the qualities that we cannot generate on our own.

My brothers and sisters the most powerful message we can give isn't a testimony or a sermon it is the life we live when the pressure is on us, temptation is tremendous, or we are buried under a pile of debt and other problems.

What more would a person want in a time of loneliness, trouble or discouragement? The Holy Spirit is also our Counselor, or Helper, as described by Jesus (JOHN 14:16-17).

So in lonely moments, when we need comfort and counsel, the Holy Spirit is there, never to leave us nor forsake us. My brothers and sisters what the world needs to see in the modern culture does godly families love one another, showing the Holy Spirit at work in their lives, to be examples for this sin sick and lost world.

So if you want to know Christ today and are in a lonely place in your life, remember The Spirit of God is still with you never to leave you alone again.

Loneliness is the first thing that God eyed and named not good back in the garden.

Loneliness is the first thing that God eyed and named NOT good back in the Garden of Eden, when looking at Adam. Gen.2:18, "And the Lord God said, "It is not good that the man should be alone; I will make him a help meet for him".

My brothers and sisters God's Spirit works in every believer and he does not limit himself to missionaries and pastors, if you received Jesus Christ as your personal Savior, residing in you then is the same great power that raised Jesus from the dead. (Rom.8:11)

My brothers and sisters the Holy Spirit pours his energy into creating godly character in all of those who follow Jesus Christ.

In a word the world needs to be exposed to believers who are obedient to the Word. By showing peace instead of anxiety, practice patience rather than speaking sharp words.

A Christian bears witness to the beauty of the Gospel, by attracting unbelievers to Christ through our words and deeds under the guidance of the Holy Spirit.

They might turn down a doctrine, but they cannot ignore a righteous life, that is why he will never leave you, because he wants you to live a righteous life.

My brothers and sisters the strongest gospel message does not come from the pulpit, the most powerful witness for Jesus Christ where you live, where you shop and where you work is you. Submit to the Holy Spirit and He will produce a good work in you, that is his job, to teach you and show you all things that whatsoever I have commanded.

NO! NEVER! NO! NEVER! I WILL NEVER EVER LEAVE YOU ALONE AGAIN!!!

These words are from Jesus Christ; himself to his disciples for the ages. The message was to be transmitted to us by the Holy Bible.

Jesus wants us to know that his word is still just as good today as it was when he said it over two-thousand years ago and that the promish made is still as golden when we accept his Saviorhood of our lives Amen.

Yes! My brothers and sisters the words "I will never leave you or forsake you" are still today and are still being spoken from the Saviors mouth today as spoken then when you believe.
